CLERK OF THE COURT

ASSIGNMENT OF CLAIM

Vertec Tool Inc. having a mailing address at **1123 Elkton Dr., Colorado Spring, CO 80907** ("Assignor"), in consideration of the sum of _____ ("Purchase Price"), does hereby transfer to Argo Partners, which includes Argo Partners II LLC and Argo Partners Fund III LLC, having an address at 12 West 37th Street, 9th Fl. New York, NY 10018 ("Assignee") all of Assignor's right, title and interest in and to the claim or claims of Assignor, as more specifically set forth (the "Claim") against Delphi Medical Systems Colorado Corporation, Case No 05-44507 ("Debtor"), Debtor in proceedings for reorganization (the "Proceedings") in the United States Bankruptcy Court for the Southern District of New York, (the "Court"), jointly administered under Delphi Corporation, Case No. 05-44481 in the currently outstanding amount of not less than \$76,698.15 and all rights and benefits of Assignor relating to the Claim, including without limitation the Proof of Claim identified below and Assignor's rights to receive all interest, penalties and fees, if any, which may be paid with respect to the Claim and all other claims, causes of action against the Debtor, its affiliates, any guarantor or other third party, together with voting and other rights and benefits arising from, under or relating to any of the foregoing, and all cash, securities, instruments and other property which may be paid or issued by Debtor in satisfaction of the Claim. The Claim is based on amounts owed to Assignor by Debtor as set forth below and this assignment shall be deemed an absolute and unconditional assignment of the Claim for the purpose of collection and shall not be deemed to create a security interest.

Assignor represents and warrants that (Please Check One):

☐ A Proof of Claim has not been filed in the proceedings.

☐ A Proof of Claim in the amount of \$ _____ has been duly and timely filed in the Proceedings (and a true copy of such Proof of Claim is attached to this Assignment) If the Proof of Claim amount differs from the Claim amount set forth above, Assignee shall nevertheless be deemed the owner of that Proof of Claim subject to the terms of this Agreement and shall be entitled to identify itself as owner of such Proof of Claim on the records of the Court

Assignor further represents and warrants that the amount of the Claim is not less than **\$76,698.15** that the Claim in that amount is valid and that no objection to the Claim exists and is listed by the Debtor on its schedule of liabilities and any amendments thereto ("Schedule") as such; the Claim is a valid, enforceable claim against the Debtor; no consent, approval, filing or corporate, partnership or other action is required as a condition to, or otherwise in connection with, the execution, delivery and performance of this Agreement by Assignor, this Agreement has been duly authorized, executed and delivered by Assignor and Assignor has the requisite power and authority to execute, deliver and perform this Agreement; this Agreement constitutes the valid, legal and binding agreement of Assignor, enforceable against Assignor in accordance with its terms; no payment or other distribution has been received by Assignor, or by any third party on behalf of Assignor, in full or partial satisfaction of, or in connection with the claim; Assignor has not engaged in any acts, conduct or omissions that might result in Assignee receiving in respect of the Claim proportionately less payments or distributions or less favorable treatment than other unsecured creditors; the Claim is not subject to any factoring agreement. Assignor further represents and warrants that no payment has been received by Assignor, or by any third party claiming through Assignor, in full or partial satisfaction of the Claim, that Assignor has not previously assigned, sold or pledged the Claim to any third party, in whole or in part, that Assignor owns and has title to the Claim free of any and all liens, security interests or encumbrances of any kind or nature whatsoever, and that there are no offsets or defenses that have been or may be asserted by or on behalf of Debtor or any other party to reduce the amount of the Claim or to impair its value. Assignor agrees to indemnify Assignee from all losses, damages and liabilities, including attorneys fees and expenses, which result from Assignor's breach of any representation, warranty or covenant set forth herein, or from any action, proceedings, objection or investigation relating to any attempt or threatened attempt to avoid, disallow, reduce, subordinate or otherwise impair the Claim or otherwise delay payments or distributions in respect of the Claim. Neither party hereto assumes or shall be responsible for any obligations or liabilities of the other party related to or in connection with this Assignment of Claim

Assignor is aware that the above Purchase Price may differ from the amount ultimately distributed in the Proceedings with respect to the Claim and that such amount may not be absolutely determined until entry of a final order confirming a plan of reorganization. Assignor acknowledges that, except as set forth in this Assignment, neither Assignee nor any agent or representative of Assignee has made any representation whatsoever to Assignor regarding the status of the Proceedings, the condition of Debtor (financial or otherwise) or any other matter relating to the Proceedings, the Debtor or the Claim. Assignor represents that it has adequate information concerning the business and financial condition of Debtor and the status of the Proceedings to make an informed decision regarding the sale of the Claim and that it has independently and without reliance on Assignee, and based on such information as Assignor has deemed appropriate (including information available from the files of the Court in the Proceedings), made its own analysis and decision to enter into this Assignment of Claim

Assignor agrees to make to Assignee immediate proportional restitution and repayment of the above Purchase Price to the extent that the Claim is disallowed, subordinated, objected to or otherwise impaired for any reason whatsoever in whole or in part, or if the Claim is not listed on the Schedule, or listed on the Schedule as unliquidated, contingent or disputed, or listed on the Schedule in a lesser amount than the Claim Amount together with interest at the rate of ten percent (10%) per annum on the amount repaid for the period from the date of this Assignment through the date such repayment is made. Assignor further agrees to reimburse Assignee for all costs, and expenses, including reasonable legal fees and costs, incurred by assignee as a result of such disallowance.

CONSENT AND WAIVER

Assignor hereby acknowledges and consents to all of the terms set forth in this assignment of Claim and hereby waives its right to raise any objections thereto and its right to receive notice pursuant to Rule 3001 of the Rules of Bankruptcy Procedure

IN WITNESS WHEREOF the undersigned Assignor hereto sets its hand this 29 day of December 2006.
